the best ideas

What is this?
All Our Ideas is a platform that enables groups to collect and prioritize ideas in a transparent, democratic, and bottom-up way. It’s a suggestion box for the digital age.

Learn more

How does it work?
You can use All Our Ideas to create a website where visitors can vote on ideas and upload new ones. The intuitive and fun voting process yields powerful results.

See an example

Get started!
Click on the link below to get started with All Our Ideas. It is free, easy, and built on open source technology. Create your own interactive suggestion box and start discovering.

Create a question

This project is supported by a grant from the Center for Information Technology Policy at Princeton University.

All Our Ideas is open source software. Feel free to review, remix, or redesign. Also, you can use our API to create your own site.

About
Learn how we are creating a greener, greater New York City.
Join the citywide conversation to update PlaNYC
Which do you think is a better idea for creating a greener, greater New York City?

Seeded the wiki survey with 25 ideas:

▶ Require all big buildings to make certain energy efficiency upgrades
▶ Increase targeted tree plantings in neighborhoods with high asthma rates
▶ Establish a New York City Energy Planning Board
Which do you think is a better idea for creating a greener, greater New York City?

Focus on planting street trees before putting them in existing green space

Enforce low density zoning laws and do Not grant variances that are contrary to these protective laws.

Which do you think is a better idea for creating a greener, greater New York City?

- Plant more trees
- Get Bus Lanes on Broadway

I can't decide

11 votes on 269 ideas

You chose Enforce low density zoning laws and do Not grant variances that are contrary to these protective laws. over Focus on planting street trees before putting them in existing green space

Now you have cast 1 vote (average is 10)

View all the results
Which do you think is a better idea for creating a greener, greater New York City?

Provide funding to increase energy efficiency of buildings (PACE bonds/loans) creating green jobs, reducing emissions and utility bills.

Make sure that there are bike racks installed at or near all public schools and libraries.

I can't decide
